ACCESSORIES **HORNET CB500**

Is reliability supposed to be boring?

It's not rare to find CB500 proudly boasting more than 300,000 kms (more than 186,000 miles), but the long-time favourite of the couriers and the driving school is much more than a workhorse. Started in France in 1996, the CB500 Cup spread across Europe quickly and helped young talents such as Sebastien Charpentier or James Toseland to make a name by themselves, on a budget.
