

# TRANSALP

## ACCESSORIES *XL750 TRANSALP*

### THE ORIGINAL TRANSALP

The original Transalp, introduced in 1986 with a 583cc V-Twin engine, is something of a legend. And as testament to the sheer quality of its build and timelessness of its design, many can still be seen on Europe's roads today.

This is just what the new XL750 Transalp is built to do, and a legend of adventure touring is thus reborn.

## PROTECTION

### ENGINE GUARD

**08P73-MLC-D00 / 08P73-MLC-D60**

The Engine Guard protects the engine frame in case of fall or collision, while providing an enhanced adventure appearance to the motorcycle. This accessory is required to fit the Skid Plate onto the motorcycle.

- Material: Steel
  - Surface treatment: General Coating
  - 08P73-MLC-D00 Silver Engine Guard
  - 08P73-MLC-D60 Black Engine Guard
- To install the engine guard, the Guard ATT (Sold separately 08P74-MLC-D00) is required.

Note: Engine Guard is not compatible with STD Skid Plate from E-Clutch version

### FRONT SIDE PIPES

**08P72-MLC-D00 / 08P72-MLC-D60**

These steel side pipes reduce damage to the motorcycle fairings and other parts in case of fall, while providing an enhanced adventure look.

- Material: Steel
  - Surface treatment: Painted
- The Guard Attachment (08P74-MLC-D00) is required to install it.
- 08P72-MLC-D00 White Front Side Pipe
  - 08P72-MLC-D60 Black Front Side Pipe

### SKID PLATE

**08P71-MLC-D00**

The skid plate consists of a 2.5 mm thick aluminum plate with excellent strength and corrosion resistance. It is designed to protect the motorcycle parts located around and below the engine like the oil filter or the exhaust pipes, and shaped to fit perfectly with the engine guard for a more compact and resistant appearance.

To install the Skid Plate, Engine Guard (08P73-MLC-D00 and 08P73-MLC-D60) and Engine Guard Att (08P74-MLC-D00) are required

### RADIATOR GRILL

**08F74-MLC-D00**

The Radiator Grill, featuring the TRANSALP logo and made from stainless steel, has an original mesh pattern combining cooling capability with protective function. This reduces potential damage to the radiator core from debris.

### KNUCKLE GUARDS & EXTENSION

**08ESY-MLC-KNGZB / 08ESY-MLC-KNGZC**

The Knuckle Guards improve the ride comfort by protecting the rider's hands against adverse weather and wind. (Extension included)

Available in the following colours:

- 08ESY-MLC-KNGZB White Knuckle Guards
- 08ESY-MLC-KNGZC Black Knuckle Guards

This kit includes:

- Knuckle Guard (08P77-MLC-D00)
- Knuckle Guard Extension \*NH-1\* Black (08P72-MKS-E00ZC) / \*NH-196\* Ross White (08P72-MKS-E00ZB)

### TANK SIDE STICKERS

**08F01-MLC-D60ZD**

These tank side stickers, feature the TRANSALP logo. The special surface treatment makes them resistant to scratches and stone chips when driving on rough roads or off-roading, while their flexible sheet makes them easy to install on the tank surface.

- 08F01-MLC-D60ZD Tank Side Sticker \*NHA30M\*

### RALLY STEPS

**08R79-MKS-E00**

With their aggressive spike shape and a surface 57% larger than the standard ones, these Rally Steps improve the stability and control during off-road riding while reduce risk of boot slip.

### QUICK SHIFTER

**08U70-MLC-D00**

The Quick-shifter allows up and down clutchless gear changes, with auto blipper function for smooth and instant shifting which enables stress-free riding not only for sports driving but also for touring. Features adjustable operation load in three stages.

## LUGGAGE

### 50L TOP BOX KIT

#### 08ESY-MLC-TBT

With a large capacity of 50L, this plastic top box can store two helmets in. The Honda one key system allows to operate the top box by using the ignition key.

Product details:

- Dimensions: L 470 mm x W 600 mm x H 340 mm
- Maximum load capacity: 6 kg
- Colour: Black

This kit includes:

- 50L Top Box with stickers (0R24M-TTC-034)

- Darkness Black Metallic \*NH463M\*

## COMFORT

### GRIP HEATERS KIT

**08ESY-MLC-GHS**

Extremely slim heated grips focusing on the area of the hands most sensitive to cold with a 5-level integrated controller for maximum rider comfort. Operated with the handlebar switch, the TFT monitor displays the temperature adjustment level. An integrated circuit protects the battery from draining. The last level selected is memorized when the ignition is switched off.

### FRONT FOG LIGHTS KIT

**08ESY-MLC-FFS**

Set of 2 additional front led lights that increase the riders' visibility during adverse weather conditions while they make them more noticeable for the surrounding traffic. This kit includes:

- Front Fog Light (08V80-K3R-D00)
- Front Fog Light Attachment (08V70-MLC-D30)

To install the Fog Lights, the Front Side Pipe 08P72-MLC-D00 is required but not included.

### COMFORTABLE PILLION STEPS

**08R71-MJP-G50**

Deluxe pillion footpegs made of aluminium and rubber that are wider than the standard pegs for increased comfort.

### COMFORT SEAT \*BLACK\*

**08R70-MLC-D30ZA**

Thanks to its softer construction, this seat provides an extra level of comfort enhancing the riding experience. Cushion thickness is increased by 20mm compared to the standard seat.

### FAIRING DEFLECTOR

**08R72-MLC-D00**

Wind and weather protection are enhanced by the fairing deflector, which improves the ride comfort by reducing traveling air around the rider's arms.

- Material: Coated Polycarbonate
- Finishing: Dark Smoke

### WINDSHIELD DEFLECTOR

**08R72-MLC-D30**

Wind and weather protection are enhanced by this deflector, which are attached to the wind screen and improve the ride comfort by reducing traveling air around the rider's chest and shoulders.

- Material: Coated Polycarbonate
- Finishing: Dark Smoke

### 12V SOCKET

**08U71-MKK-D00**

Power or charge electrical equipment using this convenient 12V Socket (Provides 2A).

### HIGH SCREEN

**08R71-MLC-D30**

The high screen has been redesigned to match the new headlights, adds ducts and optimizes curvature in line with the design changes around the front. It contributes to excellent comfort at high speeds, by reducing head shaking and wind noise on highways.

- The coated is scratch-resistant.
- Material: Hard-Coated Polycarbonate
- Color: Clear
- Featured with Honda logo
- Extended by 75mm

### LOW SEAT \*BLACK\*

**08R74-MLC-D00ZB**

The Low Seat, which is 20 mm lower than the standard seat, improves ground reach. Same colour and design as the standard seat.

- Material: PP PVC leather / urethane foam / PP bottom
- Color: Black

## SECURITY

### ALARM KIT

**08ESY-MLC-ALS**

This Alarm system is specially designed for the motorcycle's protection, offering a higher level of anti-theft security.
